Orca OM1907-AC

240v Interlink Smoke Alarm

Recommended for

Livings Rooms, Hallways, Bedrooms & Stairwells

Ideal for new builds, the Orca™ hard wired smoke alarm allows multiple units to be interlinked to protect the whole household. When one alarm activates, the entire network activates. In larger residences, they provide peace of mind knowing that a small fire emerging away from where people are sleeping will still provide an immediate close proximity warning allowing action to be taken before the fire gets out of control.

- Photoelectric sensor – best at sensing smoke from slow smouldering fires
- Ideal for living rooms, hallways and bedrooms
- Test button
- Hush feature
- Extra loud warning tone
- Low battery warning
- 7 year warranty
- Fully compliant with NZ Building Code (Certified to AS 3786:2014)

ATTENTION
This alarm must be installed by a registered electrician.

TECHNICAL SPECIFICATIONS

DIMENSIONS	120mm diameter x 44mm depth
SUPPLY VOLTAGE	240v AC
BATTERY	9v replaceable backup battery
TECHNOLOGY	Photoelectric sensor
ALARM SOUND LEVEL	85db(A) at 3m (minimum)
